

SUMMIT MICRO SCHOOL

Please read carefully.

This is a full-time, 10 month teaching contract starting August 30, 2021. The salary for this contract is \$35,000.

Your application package should include:

- Resume
- Cover letter
- Two current references (within the field of education)
- Responses to our application questions below
- Submit responses to careers@summitmicroschool.ca (attn: Kristin Palin)
- We appreciate the interest of all applicants but only candidates who have completed the entire application package and will be contacted.

Please answer the following questions and submit them along with your resume and references. We will contact you only to schedule an interview. Thank you!

1. Given your understanding of the SMS philosophy, how do you see your own philosophy of education and teaching methods contributing to the success of the school? What opportunities for personal and professional growth do you anticipate as a member of our community?
2. How have your experiences shaped or influenced your understanding of the necessity of teaching 21st Century Skills?
3. What is your understanding about the role of teacher in a skills and strengths-based curriculum?
4. In this context, what does student success mean to you? How do you evaluate and support the process?
5. What role does reflection play in your teaching practices and personal/professional growth?
6. In what ways do you see yourself participating as a member of the SMS team and the life of the school?
