

Join the Team at Summit Micro School: Where Education Comes Alive!

Are you an exceptional teacher who is truly passionate about education? Do you believe in celebrating the process over the product? Are you ready to make a real impact in the lives of students, especially after the challenges brought by the pandemic? If you're up for the demands of a vibrant and diverse environment, then Summit Micro School is waiting to hear from you!

Summit Micro School is not your typical educational institution. We prioritize skills over content, dedicating ample time to support the social and emotional well-being of our students while providing them with engaging and relevant learning opportunities. We firmly believe in the power of connection, community, and inclusivity. We actively foster a positive learning environment that celebrates diversity and recognizes the unique strengths of every learner. At Summit Micro School, we cultivate respect for ourselves, others, and our environment.

As an independent K-8 school committed to excellence in 21st-century education, we offer a responsive learning environment that adapts to the needs of our students. Our innovative curriculum is built on the foundation of **Project Based Learning for grades 2-8** while drawing inspiration from the renowned **Reggio Emilia approach for JK to Grade 1**. As our new teacher, you will play a vital role in creating and implementing hands-on projects that enable our students to develop essential skills such as critical thinking, collaboration, and problem-solving. Moreover, you will nurture their social and emotional growth by establishing a classroom environment that is positive, inclusive, and diverse.

Collaboration lies at the heart of Summit Micro School, and you will work closely with your colleagues to develop interdisciplinary projects that foster holistic student learning across multiple subjects. Additionally, you will actively contribute to school improvement, program development, and professional goal setting, collaborating with the entire staff.

Our ideal candidate possesses a proven track record in creating inclusive, strengths-based learning environments that empower all students to thrive academically and personally. You embrace the concept of lifelong learning, and you are committed to your own growth, both professionally and personally. You understand the tremendous value of neurodiversity and are dedicated to nurturing a Growth Mindset, both in yourself and in your students.

To be considered for this position, applicants must hold a bachelor's degree in education and have at least one year of full-time teaching experience. Strong oral and written communication skills in English are a must, as well as the ability to work independently with minimal supervision. A strong work ethic and an unwavering commitment to achieving excellence are also essential qualities.

At Summit Micro School, we are committed to creating a diverse and inclusive workplace, embracing applicants from all backgrounds and walks of life. We firmly believe that a diverse team fosters creativity, innovation, and success. Our goal is to establish an environment where every employee feels valued, supported, and empowered to unleash their full potential. We actively encourage candidates from underrepresented groups to apply, and we are committed to providing equal opportunity for all.

If you are thrilled about the opportunity to join our team at Summit Micro School and contribute to our mission of building a school that mirrors the rich diversity of our world, we eagerly await your application.
