Admissions Policies

- Payment of tuition in part or in full is a commitment to enroll your child for the academic year, and SMS will, in turn, hold a place for your child.
- Tuition will not be refunded in part or in full.
- Accounts in arrears greater than **30 days** may result in the student's dismissal until such time as the account is cleared.
- SMS does not have the resources to support students whose behaviour is consistently aggressive or may pose a risk to themselves or others. SMS will determine, at its sole discretion, if a child will be able to continue at the school if such behaviour is present.
- Adjustments in tuition cannot be made if a student is absent for prolonged periods of time or if they are withdrawn from the school for whatever reason. As a small school, SMS plans for the year are based on revenue from tuition only. Providing refunds directly compromises our ability to run our programs.
- Fees are not subject to adjustment if distance learning becomes necessary for safety concerns or other government/Public Health directives. The costs of running the school do not change whether we are in person or online. Offering refunds will directly and negatively impact our ability to continue providing programs for our community.
- Attendance for and participation in asynchronous and synchronous learning opportunities, in person or as part of distance learning, are mandatory, and we will work with families to provide the best possible experience for your child (ren).
